

# DIVIDE AND CONQUER

Blaine and Felicia's  
Christmas Video and Puzzle

**Directions:** Each word below can be paired with one of the others so that if both words are cut in two and their pieces are swapped (keeping the beginnings as beginnings and the ends as ends), they will form two new words. All 6 pairs of words will fall into the **same category**.

**Example:** BEAN DIRTS SHOVE SUCH

BEA/N + SU/CH = BEACH + SUN  
SHO/VE + DI/RTS = DIVE + SHORTS

**Example category:** summer

Write the 7-letter **category** below (*all lowercase*):

			k			
--	--	--	---	--	--	--

This password will unlock our **Christmas video**.
